

Concept Paper Format for SLCARP-NARP Research Grants

1. Title of the Research Project:

Relevant National Committee (In case if your project is multidisciplinary, please indicate the most relevant National Committee):

SLCARP National Priority Area:

2. Details of the investigators:

a. Principle Investigator:(Prof. /Dr. /Mr./ Ms.):

Designation:

Area of specialization:

Highest Academic Qualification:

Research Experience (Yrs.)

Department/Research Institute/University:

Official Address:

Email:

Tel:

b. Co-investigator/s: (Prof. /Dr. /Mr./ Ms.):

Designation:

Area of specialization:

Highest Academic Qualification:

Research Experience (Yrs.)

Department/Research Institute/University:

Official Address:

Email:

Tel:

(If you have more than one co-investigator the details of each Co Investigator should be provided)

3. Relevance to the Chapter 5 “People-Centric Economy” of National Policy Framework “Vistas of Prosperity and Splendour”

(Briefly describe the activity you addressing through your research, e.g. Ensuring Farmer welfare, Increase Land Productivity, Modernize Agriculture, Promote Youth Entrepreneurship, A Revolution in the use of Fertilizer, Production of Seeds and Planting Materials, Packaging and Storage, Marketing and Transport, Research for Agricultural Innovation, Help Paddy Farmers, Export Crops, Other Export Crops, Fisheries, Livestock, Milk Production, Meat and Eggs for Export. For details refer the Chapter 5 “People-Centric Economy” of National Policy Framework “Vistas of Prosperity and Splendour”)

4. Mini abstract (Maximum 150 words)

(Briefly summarize (1) the significant problem or gap you will address and why it is important; (2) the expected outcomes; and (3) the potential broad (grandiose) impact.

5. Background and Purpose (Maximum 200 words)

a. Background

(Include a brief summary of the literature – citing only seminal, significant, and compelling sources – to provide the context for your project and discuss what others have discovered and/or accomplished.)

b. Purpose of the Research

(Identify the problem or need you intend to address and how your project will address it. Provide evidence to support the contention that your research project addresses a significant and/or timely problem)

c. Importance of the research

(describe importance of the research highlighting short-term and long-term impacts, number of beneficiaries. Do this by linking the problem to with relevant section/subsection/activity of the Chapter 5 “People-Centric Economy” of National Policy Framework “Vistas of Prosperity and Splendour”.

6. Project Description (Maximum 300 words)

(Concisely describe your research project, including what (not how) you plan to do. Highlight the innovative aspects of your research approach to set your project apart from the other proposals. List the research questions, goal(s), and objectives of your project. Briefly describe how you will conduct the research, including the research methodology; the data you will collect; and how you will analyze the data. Based on your Project Work Plan, describe major milestones and a general timeline for what you will accomplish. Describe the expected outcomes of your project.)

7. Estimated Project Cost

Include an estimate of total costs (direct and indirect) and categories of expenses

8. Project timeframe (start and end dates in months/years).

Activity	Year 1				Year 2				Year 3			
	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4

9. References

(Include only 2-3 most relevant references)

10. Signature & Date of Principal Investigator: -----

11. Declaration of the Head of the Institution of the Principal Investigator:

I recommend the concept paper of and I certify that the research is submitted herewith is in line with the institutional mandate and facilities of the Institution will be made available for conducting the research project.
